TERMS AND CONDITIONS

Terms & Conditions Service

The parties agree to comply with the terms and conditions on the following web site which are by this reference made a part of the Agreement.

General Terms and Conditions for service contracts are posted at: http://das.gse.iowa.gov/terms_services.pdf

Iowa Department of Administrative Services

Government's Partner in Achieving Results

Chester J. Culver, Governor
Patty Judge, Lt. Governor

Ray Walton, Interim Director

9/19/08

TO: All Bidders

SUBJECT: Notice of Intent to Award

Sealed Bid #: RFP0109005001 **"Auction Services, Both Live and On-line"** due on **9/08/08, 3:00 PM**

The Department of Administrative Services (DAS), General Service Enterprise – Procurement Services, has determined the Notice of Intent to Award to two low compliant, responsive and responsible bidders as listed below:

[Public Surplus, LLC.](#)

PO Box 50676
Provo, UT 84605

[Purple Wave, Inc.](#)

825 Levee Drive
Manhattan, KS 66502

Both firms will be offered a six month contract beginning 10/1/08 and ending 3/31/09. At the end of the initial six month period, one or both will be offered two annual renewal options based upon agreement by the vendor(s) and the State of Iowa, DAS Procurement Services.

The intent to award initiates the State of Iowa's five (5) business day appeal period. This Notice of Intent to Award is subject to execution of written contract and, as a result, **this notice does NOT constitute the formation of a contract between the State and the successful bidder.** If the apparent successful bidder fails to negotiate and deliver an executed contract, the State, at their sole discretion, may cancel the notice of intent to award and award the contract to the next ranked bidder or withdraw the RFB. The State further reserves the right to cancel the award at any time prior to the execution of written contract.

We appreciate your interest in doing business with the State of Iowa.

Thanks,
Doug

PART I

Section 3.2 Technical Proposal

3.2.3 Executive Summary

3.2.3.1 Statements that demonstrate that the Contractor has read, understands and agrees with the terms and conditions of the RFP and the proposed contract.

Purple Wave is pleased to present this response to RFP 0109005001. We have carefully reviewed and studied the terms and conditions of the RFP and the proposed contract. We believe we are a best-fit contractor for this RFP.

3.2.3.2 An overview of the Contractor's plans for complying with the requirements of this RFP.

Purple Wave has developed a cutting edge, systematic approach to serving state agencies through expert staff, technology, office manpower and with the backing of specialty response teams. Together these resources provide a powerful integrated system to meet the diverse liquidation needs of governmental agencies. This "click and mortar" approach to auctions allows Purple Wave to provide a full spectrum of auction options to meet agency demands and the requirements of Iowa laws.

Purple Wave proposes to bring its special blend of auction expertise and an extensive on-line bidder base to Iowa. That blend has successfully served Kansas governmental agencies for the past four years.

Our specific plans for complying with the RFP requirements include:

- Deploying our operations staff to most efficiently lot and list assets for both live and internet auctions, coordinate asset inspection and pickup parameters, and address any unique needs of a particular agency or subdivision.

- Posting all assets on our website, purplewave.com, for Internet bidding well in advance of the action close.
- Placing our team of award-winning in-house marketers on task to create the most effective marketing campaign and materials for each auction.
- Relying on our customer service team to collect all bid monies and sales taxes from winning bidders as well as to coordinate all title transfers. Our customer service personnel will also prepare statements of sale/invoices for winning bidders and settlement statements for the sellers.
- Utilizing our auction software systems to collect specific sales tax across various jurisdictions for each asset sold. Our data reports, which are an integrated part of our custom software, provide transparency of reporting to satisfy the information needs of government agencies.
- Tasking our in-house technical staff to adjust and update our reporting and operations systems, if needed, to meet the ongoing needs of Iowa government sellers.
- Completing any Secretary of State registrations or qualifications required. We currently are registered to collect sales taxes and remit them to the Iowa Department of Revenue. (See Attachment No. 3).

Purple Wave auction events provide a turn-key dispersal of excess, seized, and replaced property. Our proven system has worked repeatedly for many government agencies, as shown on the reference letters submitted with this RFP Response. (See Attachment No. 4).

3.2.3.3 Any other summary information the Contractor deems to be pertinent.

Purple Wave is a unique auction service provider with a proven auction model that maximizes sellers' recoveries. Our main points of differentiation from traditional auctioneers are

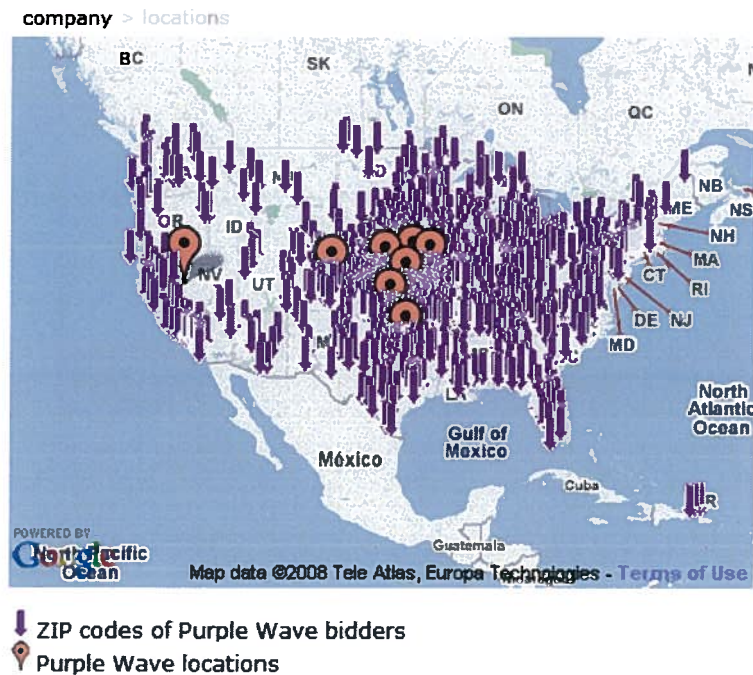

- **Scale and experience in government auction services** – Purple wave has an unparalleled combination of personnel, systems, expertise and experience in live and online government property

auctions. No one else has the complete capabilities offered by Purple Wave.

- **Pre-auction Internet bidding** – everything we auction is posted online for internet bidding, even if a live auction is utilized.
- **Proprietary back-end systems** – our Internet-based inventory, clerking, invoicing and settlement system is custom designed by our technology innovators; no one else has the technology tools we have.
- **Web-based buyer community grows every day, every event** – visitors to our website and the number of web pages they open continue to increase at greater and greater rates.
- **Automated syndication of listings** – all postings on our website are syndicated to other online auction calendars, Google®, and a wide array of search engines to create a powerful virtual marketing campaign for every item we sell.
- **Industry-leading marketing staff** – our in-house marketing department has made Purple Wave the most decorated auction marketing firm in the country, as determined by the National Auctioneers Association.
- **Professional leadership** – our team of recognized auction industry leaders and experts is enhanced by a leadership team that also includes a Kellogg MBA with CEO experience, a CPA with Big 4 auditing experience and an attorney with AmLaw 100 law firm training. Few, if any, other auction services firms offer such a professional staff.
- **Scaleability** – Our track record of growth proves our scaleability to handle any liquidation project. The number of web pages opened on purplewave.com is over 4.1 million/month, a 61% YoY growth. The number of unique visitors to our website is over 70,000/month, a 70% YoY growth. We are on pace to conduct 290 auctions in 2008, a 62% increase over 2007. We are registering nearly 2,000 new bidders to our website per month, a 360% YoY increase.
- **PW is a trusted, third-party brand** – Purple Wave buyers and sellers know that every auction conducted by Purple Wave is a real auction conducted in strict compliance with the National Auctioneer Association's Code of Ethics.

Our registered buyer community and locations are not limited to the Midwest:

Purple Wave's solution is a blend of the best of traditional auction and e-commerce. It creates a true auction liquidation of virtually any asset, where it sets, on command, and for market value. Purple Wave makes asset liquidation easy.

3.2.4 Specifications and Technical Requirements

3.2.5.2 Form of business entity

Purple Wave is a Corporation.

3.2.5.3 State of incorporation, state of formation, or state of organization.

Although founded as a Kansas proprietorship in 2000, Purple Wave, Inc. was converted to a Delaware corporation organized in 2007. Our operations are currently focused in the Midwestern United States, although our buyer base is international.

3.2.5.4 Identification and specification the location(s) and telephone numbers of the major offices and other facilities that relate to the Contractor's performance under the terms of this RFP.

See section 3.2.5.1 for a complete list of all Purple Wave locations and contact information. Purple Wave's operating model allows for real-time deployment of staff from one or more of our locations to service an auction project. We are experts at building teams of human and equipment resources to meet the particular needs of each project and deploying those teams in real-time to service our auction clients. This flexibility allows us to service projects all over the country, whether close to one of our physical locations or far away.

3.2.5.5 Local office address and phone number (if any).

Purple Wave does not currently have a physical office in Iowa but is willing to establish one when the volume of Iowa assets sold through Purple Wave's auction platform justifies an Iowa office. As designed, Purple Wave's auction model does not rely on a centralized office or warehouse to achieve meaningful recoveries for sellers. Our auction solution is highly portable and flexible.

3.2.5.6 Number of employees.

As of August 2008, Purple Wave, Inc. employed eighty-seven (87) full-time and part-time employees.

3.2.5.7 Type of business.

We sell as sellers' agent, through predominantly unreserved public auctions, a broad range of assets such as high value personal property, industrial equipment, motor vehicles, and real estate. We specialize in liquidating

Purple Wave, Inc. – 825 Levee Drive- Manhattan, Kan. 66502
785-537-7653- auction@purplewave.com- www.purplewave.com

assets that are difficult to transport, and we provide a local turnkey service from listing to marketing to transaction settlement. The power of our system derives from the substantial buyer community we have developed through our internet auction capabilities.

- Everything Purple Wave sells at auction is listed on our website with a helpful description and photographs of the asset.
- Everything Purple Wave sells at auction is available for Internet bidding.
- And, realized prices are immediately published on our website so buyers and sellers can see, in real time, the true market value of assets precisely as those values are set by the auction marketplace.

Purple Wave is not just an Internet or technology company, though. We are a full service company focused on providing a complete value to our sellers and buyers.

3.2.5.8 Name, address and telephone number of the Contractor's representative to contact regarding all contractual and technical matters concerning this Bid Proposal.

Please contact Aaron McKee for all contractual and technical matters concerning this Bid Proposal.

Aaron McKee
Founder
825 Levee Drive
Manhattan, KS 66502
aaron@purplewave.com
785-537-7653

3.2.5.9 Name, address and telephone number of the Contractor's representative to contact regarding scheduling and other arrangements.

Initially, your account manager will be Aaron McKee, our Founder. Once the parameters of your needs are confirmed and the scope of services necessary are fully understood, a permanent account manager will be assigned. Aaron's contact information is aaron@purplewave.com and his phone number is 785-537-7653.

3.2.5.10 Name and qualifications of any subcontractors who will be involved with this project.

Purple Wave is a full service liquidation company and does not sub contract any of its services.

3.2.5.11 Identify the Contractor's accounting firm.

Prior to December 31, 2007, Purple Wave Auction, Inc. engaged Varney & Associates of Manhattan, KS to provide various tax and accounting services. Purple Wave is in the process of engaging a national accounting firm, which we intend to have completed at the end of our present fiscal year.

3.2.5.12 The successful Contractor will be required to register to do business in Iowa. If already registered, provide the date of the Contractor's registration to do business in Iowa and the name of the Contractor's registered agent.

Purple Wave currently holds an Iowa Retailers's Use Tax Permit Number 200157044. (See attachment No. 3).

If awarded the Contract, we will immediately register as a foreign corporation with the Iowa Secretary of State.

3. 2.6 Experience

3.2.6.1 Number of years in business.

Purple Wave was founded in 2000 by Aaron McKee and has been in business for eight years.

3.2.6.2 Number of years experience with providing the types of goods and/or services sought by the RFP.

Purple Wave has over four years of experience providing precisely the type of services sought by the RFP.

That experience derives from service as the on-call auction services provider for the State of Kansas and all of its political subdivisions and agencies. Purple wave has sold thousands of lots state agencies, county, city and other local municipal entities. We have successfully liquidated assets at live auctions with Internet bidding and by Internet only auctions on purplewave.com. The list of satisfied administrators and coordinators is large and growing. In 2008 alone, Purple Wave has auctioned assets for more

than 50 Kansas agencies, agency divisions, political subdivisions, and municipal sellers, totaling over \$2 Million in total auction hammer prices.

3.2.6.3 Describe the level of technical experience in providing the types of goods and/or services sought by the RFP.

Since January 2008, more than 10,500 unique bidders have bid on assets sold through Purple Wave. They have placed nearly 271,000 bids on almost 45,000 items. We have been able to achieve these levels of activity because we have one of the most robust packages of technical resources and personnel in the country.

We are industry leaders in hybrid online/live internet liquidations. Our VP of Technology sits on the National Auctioneer Association technology committee and often teaches classes for other auctioneers across the country. Our CEO is an experienced Silicon Valley strategist and leader. Our Founder has been described by hall of fame auctioneers as an auction technology visionary. Purple Wave's marketing department recently won 8 awards at the National Auction Association annual conference, making us the leading auction marketing company in the United States. Our VP Finance is a CPA with Big 4 accounting firm audit experience. Our COO and General Counsel has been involved in some of the most sophisticated commercial litigation and transactions in the country. Technically, we are the most qualified and experienced provider of true, turn-key online/offline auction services for governmental agencies in the country.

Our more than 80 employees are dedicated to the effective inventorying, listing, marketing and selling of assets. We maintain a fleet of vehicles and equipment, including trucks, trailers, lifts and packaging equipment, to fully service our sellers' needs.

3.2.6.4 List all goods and/or services similar to those sought by this RFP that the Contractor has provided to other businesses or governmental entities.

In the course of our four years as the State of Kansas on-call auctioneer, we have:

- Successfully inventoried and sold a warehouse full of state surplus assets at live auction.
- Sold millions of dollars in assets from multiple locations for multiple sellers in the Internet-only auction events, with each item.

- Provided asset removal, relocation and inventorying services on a fee basis with our equipment and personnel.
- Collected payment from thousands of auction buyers and remitted net proceeds and detailed invoice

The full scale look and feel of our company and the type of work we do for Kansas agencies and subdivisions can be more fully understood by exploring the upcoming and past auctions on our website, www.purplewave.com.

Aside from the governmental clients noted above, Purple Wave has provided auction liquidation services numerous businesses including Best Buy, GE, Rocky Mountain Trading Company, Georgia Lighting and numerous lenders

3.2.6.5 Letters of reference from three (3) previous customers or clients knowledgeable of the Contractor's performance in providing goods and/or services similar to the goods and/or services described in this RFP and a contact person and telephone number for each reference.

All letters are attached as Attachment No. 4.

3.2.7 Personnel

Please refer generally to the Purple Wave Organization Chart at Attachment No. 5. Because Purple Wave is organized in a functional manner and personnel are deployed in teams specially crafted for each auction project, many of the operations, marketing, sales and customer service personnel shown on the chart are likely to be involved, at some point, in providing the services contemplated by the RFP. Some of our key personnel are noted below in response to sections 3.2.7.1 through 3.2.7.3.

**Aaron McKee, CAI, AARE, e-PRO, REALTOR®
Founder and CVO**

Aaron grew up in Spearville, Kan. He founded Purple Wave in 1995 and established a full-service auction company in 2000. Aaron has been over eight years being a leader in the auction industry.

Aaron is a member of the National Auctioneer's Association, Colorado Auctioneer's Association and Kansas Auctioneer's Association. He is currently serving on the KAA board of directors and NAA technology committee. He has received Certified Auctioneers Institute, Accredited Auctioneer of Real Estate, REALTOR®, and e-PRO designations, and is a real estate broker.

Aaron is a graduate of Kansas State University, Manhattan, Kan., and holds a bachelor's degree in agriculture. He teaches technology courses several times each year at auction association conventions across the nation.

**Mark Strauch
President and CEO**

Mark joined Purple Wave in March '08 and is based in Purple Wave's San Francisco office. He had served on Purple Wave's board as an investor dating back to August '07.

Mark has extensive executive leadership experience with Internet and software companies in Silicon Valley. Most recently, he was President and CEO of Business Engine, a software company backed by Oak Investment Partners, TCV, and Morgan Stanley which he successfully led until the company's acquisition in 2007. Prior to Business Engine, Mark held leadership positions with Desktop.com and Electronic Arts. In addition, he was an investment banker with Broadview International, where he was involved in over \$2 billion of Internet M&A transactions. Earlier in his career, Mark worked at Andersen Consulting, serving high-technology clients such as Intuit and Apple Computer.

Purple Wave, Inc. – 825 Levee Drive- Manhattan, Kan. 66502
785-537-7653- auction@purplewave.com- www.purplewave.com

Mark holds a B.S. in Industrial Engineering from Lehigh University and an MBA from the Kellogg School of Management at Northwestern University.

Jerrod Westfahl
Chief Operating Officer, General Counsel

Jerrod joined Purple Wave in August '07 after serving as company counsel for two years. Prior to joining Purple Wave, Jerrod enjoyed several years of private law practice with an AmLaw 100 firm and, more recently, in a corporate law practice in Manhattan, Kan.

His position with Purple Wave includes day-to-day responsibility for company operations, monitoring risk management programs, and supporting business development and channel creation efforts.

Jerrod graduated from the University of Kansas School of Law where he was Managing Editor of the University of Kansas Law Review. He received his bachelor's degree from Kansas State University. Jerrod is a member of the Kansas and Missouri (inactive) bars, the National Auctioneers Association, the American Bar Association and the Kansas Bar Association.

Eric Williams, CPA
VP Finance and Controller

Eric joined Purple Wave in August '07. He relocated to Manhattan from Kansas City where he had worked at Sprint in several accounting and finance roles for five years. Prior to that, Eric spent six years with Ernst & Young LLP, a 'Big 4' public accounting firm.

Eric is a graduate of Kansas State University, Manhattan, Kan., with a master's degree in accountancy and bachelor's of science degree in business administration. Eric also holds a Certified Public Accountant certificate.

Aaron Traffas, CAI, ATS, CES
VP Technology, Auctioneer

Aaron is a first-generation auctioneer from Sharon, Kan. He started with Purple Wave while in college in 2001, when he began developing systems to better handle the company's merchandise and ever-changing inventory. Aaron has been involved with every aspect of the auction business, and is proficient in many different development languages and environments including XHTML, CSS, Perl, PHP, MySQL and Linux. He is currently supervising web site expansion and systems development and using his

Purple Wave, Inc. – 825 Levee Drive- Manhattan, Kan. 66502
785-537-7653- auction@purplewave.com- www.purplewave.com

expertise to build Purple Wave's Cliiquidator Internet-based clerking and cashiering platform.

Aaron is a member of the National Auctioneers Association and Kansas Auctioneers Association. He has received Certified Auctioneers Institute, Auction Technology Specialist and Certified Estate Specialist designations.

Amy Shaneyfelt
Marketing Manager

Amy Shaneyfelt joined the Purple Wave team in October 2007. Amy is responsible for brand development, lead generation, sales support, graphic design, public relations, database marketing and event marketing. Amy received her bachelor's of Science degree in advertising from Kansas State University, Manhattan, Kan.

With Amy's leadership, Purple Wave brought home eight marketing awards from the National Auctioneers Association in 2008, the most of any auction company in the country.

Lucas Thornton, REALTOR®
Corporate Operations Manager
NAA, KAA

Lucas Thornton has been a member of the Purple Wave staff since May '03. He oversees inventory maintenance and listing, state seizure coordination and live auction management.

Lucas is a REALTOR® and a member of the National Association of REALTORS®, Kansas Association of REALTORS®, National Auctioneer Association and Kansas Auctioneers Association.

Dee McKee
Sales Executive

Dee is a member of the National Association of REALTORS®, Kansas Association of REALTORS®, Manhattan Association of REALTORS®, Manhattan Chamber of Commerce, Kansas Farm Bureau, Kansas Association of Special Education Administrators, Thomas Moore Catholic Church and Leadership Kansas. She served as a County Commissioner from 1986 to 1990 in Ford County, Kan. In 1998, Dee was awarded the Kansas Special Education Director of the Year.

Dee has a master's degree in secondary education from Fort Hays State University and a doctorate in education administration from Kansas State

Purple Wave, Inc. – 825 Levee Drive- Manhattan, Kan. 66502
785-537-7653- auction@purplewave.com- www.purplewave.com

University. Her hobbies include reading, mentoring students and young professionals, politics, education, local government and serving on the Kansas Autism Task Force and Citizens Advisory Board of Job Corps in Manhattan.

Dee works to develop new relationships for Purple Wave with lenders and government sellers.

CE McKee
Sales Executive
NAA, KAA

CE is a member of the National Auctioneers Association and the Kansas Auctioneers Association. CE has been with Purple Wave for 5 years and has been the primary account manager for many of the Kansas state and local agencies selling assets through Purple Wave.

Doug Regehr
Missouri Territory Manager

Doug joined Purple Wave in January 2008. He is a member of the National Auctioneers Association, Kansas Auctioneers Association, Missouri Auctioneers Association and Greater Kansas City Chamber of Commerce.

Doug is a '96 graduate of Kansas State University, Manhattan, Kan., and holds a bachelor's degree in agricultural economics and agricultural technology management. Prior to Joining Purple Wave, Doug was a territory dealer manager for John Deere Co.

Bob McBride
Kansas Territory Manager

Bob has several years of experience in the auction industry as owner of McBride Auctions, Derby, Kan. He has conducted all types of auctions and sold a variety of merchandise including residential, commercial and agricultural real estate as well as personal property.

He is a member of the National Auctioneers Association and Kansas Auctioneers Association, of which he served as the 2007 President-elect. Bob was also named the 2003 KAA Bid Calling Champion.

Roger Kisner
Auctioneer

Purple Wave, Inc. – 825 Levee Drive- Manhattan, Kan. 66502
785-537-7653- auction@purplewave.com- www.purplewave.com

Roger began Kisner's Auction and Appraisal Services, Hays, Kan., as a family venture with his wife, daughter and son in 1985. His company had been voted Choice Auction Company by the Hays Daily News yearly since 2004. Roger and his team joined Purple Wave in 2007. His solid reputation in Hays and surrounding areas has made the company a local favorite.

Roger is a licensed real estate salesperson, certified appraiser and graduate of Missouri Auction School. He is a member of the National Auctioneers Association and Kansas Auctioneers Association, of which he has served on the board of directors for nine years. Roger was named the 1996 KAA Bid Calling Champion.

York Hekel
Customer Service Manager

York heads up Purple Wave's customer service unit, which is the primary buyer interface and case management team. The unit includes thirteen (13) auction cashiers, clerks and administrative staff spread strategically throughout our locations.

York attended the University of Northern Iowa and joined Purple Wave after ten years in the casino and entertainment industry.

3.2.8 Intentionally Blank

No response required.

3.2.9 Terminations, Litigation, Debarment

3.2.9.1 During the last five (5) years, has the Contractor had a contract for goods and/or services terminated for any reason? If so, provide full details related to the termination.

No

3.2.9.2 During the last five (5) years, describe any damages or penalties or settlements to resolve disputes entered into by Contractor under any of its existing or past contracts as it relates to goods and/or services performed

that are similar to the goods and/or services contemplated by this RFP. If so, indicate the reason for the penalty or exchange of property, goods, or services and the estimated amount of the cost of that incident to the Contractor.

Due to the nature of Purple Wave's business, where assets are marketed and the best price possible is set by the marketplace, occasionally buyers and sellers will make claims against Purple Wave. Rarely, Purple Wave will be threatened with litigation. We will on occasion offer a token settlement to pay the nuisance value of potential claims in order to avoid the oppressive expense and inherent uncertainty that would come from a formal suit. Collectively, Purple Wave has invested less than \$25,000 over the last 5 years to resolve potential claims. No damages or penalty awards have ever been entered against Purple Wave.

3.2.9.3 During the last five (5) years, describe any order, judgment or decree of any Federal or State authority barring, suspending or otherwise limiting the right of the Contractor to engage in any business, practice or activity.

None

3.2.9.4 During the last five (5) years, list and summarize all litigation or threatened litigation, administrative or regulatory proceedings, or similar matters to which the Contractor or its officers have been a party. The contractor must also state whether it or any owners, officers, or primary partners have been convicted of a felony. Failure to disclose these matters may result in rejection of the Bid Proposal or in termination of any subsequent contract. This is a continuing disclosure requirement. Any such matter commencing after submission of a Bid Proposal, and with respect to the successful Contractor after the execution of a contract, must be disclosed in a timely manner in a written statement to the Lead Agency.

Small claims collection matter, District Court of Riley County, KS, Purple Wave Auction was Plaintiff; matter was resolved before judgment.

Administrative File Nos. AUC2008005260I, AUC2008005419C and AUC2008006867C, Texas Department of Licensing and Regulation. All involved questions of compliance with either Texas' auctioneer advertising rules or the technical auction house ownership and operating rules. One investigation remains pending without meaningful progress for several months, one was dismissed for lack of merit, and one resulted in a written warning but no suspension or fine.

No owners, officers or primary partners of the Contractor have been convicted of a felony.

3.2.9.5 During the last five (5) years, have any irregularities been discovered in any of the accounts maintained by the Contractor on behalf of others? If so, describe the circumstances of irregularities or variances and disposition of resolving the irregularities or variances.

None

3.2.10 Acceptance of Terms and Conditions

The Contractor shall specifically agree that the Bid Proposal is predicated upon the acceptance of all terms and conditions stated in the RFP. If the Contractor objects to any term or condition, the Contractor must specifically refer to the RFP page, and section. Objections or responses that materially alter the RFP may be deemed non-responsive and disqualify the Contractor.

Purple Wave specifically agrees that the Bid Proposal is predicated upon Purple Wave's acceptance of all terms and conditions stated in the RFP. Purple Wave does not object to any term or condition.

3.2.11 Certification Letter

See Attachment No. 1, Certification Letter

3.2.12 Authorization to Release Information

See Attachment No. 2, Authorization to Release Information

3.2.15 Firm Bid Proposal Terms

The Contractor shall guarantee in writing the availability of the goods and/or services offered and that all Bid Proposal terms, including price, will remain firm a minimum of 120 days following the deadline for submitting Bid Proposals.

Purple Wave agrees to extend all auction services as described at the stated rates for 120 days beyond the submission date.

3.2.16 Bid Proposal Security

There is no bid bond required by this RFP.

Should it be prudent or required, Purple Wave will hold a bond as we do with the State of Kansas.

Specifications and Technical Requirements

4.1 Mandatory Requirements

SCOPE OF WORK

The proposer must:

1. Provide and maintain the software utilized that includes inventory control and all aspects of asset disposal pertaining to the on-line and live auction process.

Yes, Purple Wave meets this requirement. We currently have a four full time IT staff. They have developed and continue to maintain and improve our customized inventory control and on-line auction bidding and invoicing software. Our staff can create various reports to meet specific needs of the State of Iowa upon request.

2. Be experienced at auctioning via the Internet, have considerable knowledge of the advertising media in prospective markets and must have demonstrated municipal/ governmental experience. Proposers must clearly specify their experience, pertaining to this service, in their proposal response. Provide a copy of your taxpayer identification number.

Yes, Purple Wave meets these requirements. We have been holding successful Internet auctions for various state agencies and business since April of 2002. We have a full time staff of four marketing specialist whose combined 15 years experience includes development of specialized auction event marketing campaigns, media purchasing, internet advertising and other state-of-the art marketing expertise. We have held numerous auctions for cities, counties and state agencies in Kansas. See Attachment No. 6 for a partial list of government customers we have serviced in 2008 alone.

A copy of our taxpayer identification number is included as Attachment No. 8.

3. During the auction process:

a) The State reserves the right to reject any and all bids. When a buyer defaults on his/her bid, the successful proposer's

software must have the capability of disallowing (banning) that person from bidding on future State equipment.

Yes, Purple Wave acknowledges and agrees to these mandatory requirements. Our bidding, clerking and cashiering system allows for trouble bidders to be disallowed from participation in future Purple Wave events. A demonstration of this feature will be provided if the review committee so desires.

b) If a dispute arises between two or more bidders, the State may decide the dispute or may immediately put the lot up for sale again, and resell to the highest bidder. The decision of the State shall be final and absolute

Yes, Purple Wave acknowledges and agrees to this mandatory requirement, and Purple Wave's system is well equipped to implement any resale decision by the State.

Mandatory Deliverables:

1. Provide a description of the functionality provided by your proposed solution. The State is interested in solutions that provide flexibility in how the auction can be conducted. The following functionality is preferred:

- **Ability to have multiple line items per lot (computers); (Yes)**
- **Ability to have one asset per listing (vehicles); (Yes)**
- **Ability to have multiple lots per auction (75 line items-equipment & 40 line items-vehicles); (Yes)**
- **Ability to add sales tax to the winning bids; (Yes)**
- **Ability to structure an auction for various scenarios such as:**
 - 1) Ability to list specific times for public viewing and different times for pick-up of the equipment; (Yes)**
 - 2) Ability to list multiple locations and complete descriptions including terms of sale; (Yes)**
 - 3) Ability for multiple starting and ending times; (Yes)**
 - 4) Provide auction detail and summary data; (Yes)**
 - 5) Detailed reporting and records in both paper and electronic format. (Yes)**

Yes, Purple Wave meets all of these requirements.

We can accommodate multiple items per lot with detailed and complete descriptions as easily as we can handle one item per lot. We have sold as many as 1,700 lots in a one day auction. Our custom clerking and inventory web-based software allows us to add sales tax on a per item basis. For

instance, if the sales tax for one item is 7% and another item in the same auction is 7.5%, our system will calculate each item separately and have them on the same invoice. (See examples at Attachment Nos. 9, 10 & 11). We often conduct auctions that we call "Multiple Location Internet Only" auctions in which we have assets from many different towns and consignors in the same auction. We have a terms page specific to that auction that defines the inspection times for the merchandise and the pick-up terms for those specific items. (See example at Attachment No. 12). Part of our description of the item for every auction we conduct includes a location of the item. (See examples at Attachment No. 13). We conduct many auctions every day and can have many start and end times. In our internet only auctions, we routinely start the auctions at 10am with one lot closing per minute. So the first item of the auction will end at 10am and the second item at 10:01am and the third item at 10:02am, unless there has been bidding activity within the last five minutes. If a bid is placed on those items the last five minutes of the end of bidding, the item will be auto-extended five minutes, with the computer essentially acting as the live auctioneer. Once bidding on an item has ceased for a five minute interval the bidding ends. Once the auction is over, we send a copy of buyer's invoices as they pay to the on-site person in charge of releasing items sold at auction either via email or fax. We send a complete inventory list and price everything sold for to the entity selling the assets when we send the settlement payment. (See examples at Attachment Nos. 14 & 15). We also have the capability to email this information to the seller at the conclusion of an auction.

2. Provide information about the technical and non-technical support features of your proposed solution. Where applicable please include information about such issues as:

- **Training**
- **Consulting**
- **Technical Support**
- **Help Desk**
- **Maintenance**
- **Implementation and migration services**
- **Account Representatives**

As part of our commitment to provide full service, turn-key auction liquidation services, our staff will provide all training, consulting, technical support, Help Desk, maintenance, implementation and migration services necessary to enable State of Iowa and agency staff to most easily utilize Purple Wave's system. We will provide all of these services at no additional cost to the State or its agencies. If Purple Wave is awarded the contract, a coordination meeting will be held to determine the best scope, curriculum and schedule to satisfy the State's needs in these regards.

It is Purple Wave's intention to provide a dedicated account manager for all auction services requested under a contract awarded by the State of Iowa. That account manager would be the single point of initial contact for all government personnel requiring information or assistance.

3. The successful proposer must provide the State with complete records of all transactions to include identification of each item sold, the name of the successful bidder including the complete address and phone number and email address, and the sale amount on the day of the auction. The successful proposer must separately provide the State with a certificate of sale (seller's certificate) and the successful buyer with a buyer's certificate.

Yes, Purple Wave meets these requirements. We provide a detailed settlement statement with all inventory that sold and the sale price of each item. Additionally, as buyer's pay, we provide a copy of a detailed invoice to them and a copy of the invoice to the state.

4. The successful proposer must maintain an inventory of all items listed for sale and provide the State with a monthly report to include the number of bids received and the winning bid amount. In addition the successful proposer must have a back-up system to cover emergencies.

Yes, Purple Wave meets these requirements. The number of bids received and the winning bid amounts are easily tracked by our web based auctions bidding/clerking platform. The terms and conditions of our auctions state that in case of a power failure or internet failure on auction day, we reserve the right to reschedule the auction or remaining items on an auction to a future date. However, Purple Wave has back-up systems to work through power failures and we have never had to reschedule an auction. Our information and data is backed up and stored both locally and offsite weekly with differential back-ups hourly off-site.

5. The successful proposer must provide training and instruction to the State pertaining to implementation of the auction process and to any potential buyers on how to bid using the on-line auction technology/tools at no cost to the State or the potential buyers.

Yes, Purple Wave meets these requirements. We train our sellers and buyers on how to implement our system. We have many written instructions already in place on our website as well as video instructions. We have a full staff of trained individuals at each of our several locations available during our business hours to answer any questions via the telephone and virtual desktop

support as needed to walk users through the process. We have found that our website is fairly easy to navigate and comprehend, and most users can register and bid on their own without additional assistance. However, we are here to provide the best possible level of service to help and answer questions.

6. The successful proposer must provide real-time monitoring of the auctions in progress.

Yes, Purple Wave meets these requirements. We have a full auction staff already trained to watch our internet auctions ending every day to ensure that we catch any misplaced bids or mistakes. They are also available to answer questions and assist people with bidding during this time either by telephone or via email.

6. The successful proposer must provide real-time monitoring of the auctions in progress.

Yes, Purple Wave meets these requirements. We have a full auction staff already trained to watch our internet auctions ending every day to ensure that we catch any misplaced bids or mistakes. They are also available to answer questions and assist people with bidding during this time either by telephone or via email.

PART II

Section 3.3 – Cost Proposal

A "buyer's premium" or fee of 10% of the final winning bid price will be charged to each winning bidder. This fee will be retained by Purple Wave. Additionally, a commission will be retained from the settlement proceeds of:

- 0% of gross sales for events conducted online
- 7% of gross sales for events conducted by Purple Wave staff on location

These fees compensate Purple Wave for auction services performed including: lotting and listing auction merchandise for sale on Purplewave.com, marketing of the merchandise to Purple Wave's 30,000+ base of registered buyers, conducting an auction sale, collection of funds from winning bidders and settlement of funds with the selling governmental entity. Should the client governmental entity, require services above and beyond auction services, Purple Wave can often provide such services for a fee as described in the related addendum (See Attachment No. 6).

Certification Letter

September 4, 2008

To:

Douglas Reed, Issuing Officer
Dept. of Admin. Services (DAS), Procurement Serv.
Hoover State Office Building, Level A
Des Moines, IA 50319-0105

Re: Request for Proposal Number **RFP0109005001**
PROPOSAL CERTIFICATIONS

Dear Doug,

I certify that the contents of the Bid Proposal submitted on behalf of **Purple Wave, Inc.** in response to Dept. of Admin. Services (DAS), Procurement Services for Proposal Number RFP0108005001 for "Auction Services, Both Live and On-line" are true and accurate. I also certify that **Purple Wave, Inc.** has not made any knowingly false statements in its Bid Proposal.

Certification of Independence

By submitting a Bid Proposal in response to [Dept. of Admin. Services (DAS), Procurement Services for Proposal Number RFP0108005001 for "Auction Services, Both Live and On-line", I certify the following:

1. The Bid Proposal has been developed independently, without consultation, communication or agreement with any employee or consultant to the Lead Agency or any Participating Agency who has worked on the development of this RFP, or with any person serving as a member of the evaluation committee.
2. The Bid Proposal has been developed independently, without consultation, communication or agreement with any other Contractor or parties for the purpose of restricting competition.
3. Unless otherwise required by law, the information found in the Bid Proposal has not been knowingly disclosed and will not be knowingly disclosed prior to the award of the contract, directly or indirectly, to any other Contractor.
4. No attempt has been made or will be made by **Purple Wave, Inc.** to induce any other Contractor to submit or not to submit a Bid Proposal for the purpose restricting competition.

5. No relationship exists or will exist during the contract period between **Purple Wave, Inc.** and the Lead Agency or any Participating Agencies that interferes with fair competition or as a conflict of interest.

Certification Regarding Debarment

6. I certify that, to the best of my knowledge, Purple Wave, Inc. and all of its principals:
(a) are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from covered transactions by a Federal Agency or State Agency; (b) have not within a three year period preceding this Bid Proposal been convicted of, or had a civil judgment rendered against them from commission of fraud, or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (federal, state, or local) transaction or contract under a public transaction, violation of antitrust statutes or commission of embezzlement, theft, forgery, falsification or destruction of records, making false statements, or receiving stolen property; (c) are not presently indicted for or other criminally or civilly charged by a government entity (federal, state, or local) with the commission of any of the offenses enumerated in (b) of this certification; and (d) have not within a three year period preceding this Bid Proposal had one or more public transactions (federal, state, or local) terminated for cause.

This certification is a material representation of fact upon which the Lead Agency has relied upon when this transaction was entered into. If it is later determined that the undersigned knowingly rendered an erroneous certification, in addition to other remedies available, the Lead Agency may pursue available remedies including suspension, debarment, or termination of the contract.

Certification Regarding Registration, Collection, and Remission of Sales and Use Tax

7. Pursuant to Iowa Code sections 423.2(10) & 423.5(8) (2005 Code Supp.) a retailer in Iowa or a retailer maintaining a business in Iowa that enters into a contract with a state agency must register, collect, and remit Iowa sales tax and Iowa use tax levied under Iowa Code chapter 423 on all sales of tangible personal property and enumerated services. The Act also requires Contractors to certify their compliance with sales tax registration, collection, and remission requirements and provides potential consequences if the certification is false or fraudulent.

By submitting a Bid Proposal in response to Dept. of Admin. Services (DAS), Procurement Services for Proposal Number RFP0108005001 for "Auction Services, Both Live and On-line", the undersigned certifies the following: (check the applicable box)

- ☒ **Purple Wave, Inc.** is registered with the Iowa Department of Revenue, collects, and remits Iowa sales and use taxes as required by Iowa Code chapter 432; or
- ☐ **Purple Wave, Inc.** is not a "retailer" or a "retailer maintaining a place of business in this state" as those terms are defined in Iowa Code subsections 423.1(42) & (43).

Purple Wave, Inc. also acknowledges that the Dept. of Admin. Services (DAS), Procurement Services may declare the **Purple Wave, Inc.**'s bid or resulting contract void if the above certification is false. The **Purple Wave, Inc.** also understands that fraudulent certification may result in the Dept. of Admin. Services (DAS), Procurement Services or its representative filing for damages for breach of contract.

Sincerely,

A handwritten signature in black ink, appearing to read "A McKee", written over a horizontal line.

Douglas Reed, Issuing Officer
Dept. of Admin. Services (DAS), Procurement Serv.
Hoover State Office Building, Level A
Des Moines, IA 50319-0105

Re: Request for Proposal Number RFP0109005001
AUTHORIZATION TO RELEASE INFORMATION

Dear Doug:

Purple Wave, Inc. hereby authorizes the Dept. of Admin. Services (DAS), Procurement Services ("Lead Agency") or a member of the Evaluation Committee to obtain information regarding its performance on other contracts, agreements or other business arrangements, its business reputation, and any other matter pertinent to evaluation and the selection of a successful Contractor in response to Request for Proposal Number RFP0109005001.

The Contractor acknowledges that it may not agree with the information and opinions given by such person or entity in response to a reference request. The Contractor acknowledges that the information and opinions given by such person or entity may hurt its chances to receive contract awards from the State or may otherwise hurt its reputation or operations. The Contractor is willing to take that risk.

The Contractor hereby releases, acquits and forever discharges the State of Iowa, the Lead Agency, Participating Agencies, their officers, directors, employees and agents from any and all liability whatsoever, including all claims, demands and causes of action of every nature and kind affecting the undersigned that it may have or ever claim to have relating to information, data, opinions, and references obtained by the Lead Agency or the Evaluation Committee in the evaluation and selection of a successful Contractor in response to Request for Proposal Number RFP0109005001.

The Contractor authorizes representatives of the Lead Agency or the Evaluation Committee to contact any and all of the persons, entities, and references which are, directly or indirectly, listed, submitted, or referenced in the undersigned's Bid Proposal submitted in response to Request for Proposal Number RFP0109005001.

The Contractor further authorizes any and all persons, entities to provide information, data, and opinions with regard to the undersigned's performance under any contract, agreement, or other business arrangement, the undersigned's ability to perform, the undersigned's business reputation, and any other matter pertinent to the evaluation of the undersigned. The undersigned hereby releases, acquits and forever discharges any such person or entity and their officers, directors, employees and agents from any and all liability whatsoever, including

all claims, demands and causes of action of every nature and kind affecting the undersigned that it may have or ever claim to have relating to information, data, opinions, and references supplied to the Lead Agency or the Evaluation Committee in the evaluation and selection of a successful Contractor in response to Request for Proposal Number RFP0109005001.

A photocopy or facsimile of this signed Authorization is as valid as an original.

Sincerely,

Purple Wave, Inc.

825 LEVEE DR
MANHATTAN, KS 66502-5012

Your Business eFile & Pay Number (BEN) is:

11149378

Your Iowa Retailer's Use Tax Permit Number is:

200157044

eFile & Pay your Iowa taxes electronically

The eFile & Pay system is a paperless method of filing your Iowa tax deposits/returns. It also provides the capability to pay electronically. Your BEN and permit number are required to gain access to the eFile & Pay system.

Where do I begin?

First, decide the method you will use to file your deposits/returns – online or by touch-tone telephone*. Second, choose how you will remit your payment. The deposit/return must always be filed first through eFile & Pay.

4 Payment Options

- **ePay** (direct debit): Your bank may need the IDR ePay Bank Filter (Company-ID): 1421590141.
- **ACH Credit** (through your financial institution)
- **Credit Card*** (information provided while filing)
- **Mail a Check*** (using payment voucher mailed by the department)

Does someone else file your returns?

Please share this information with that person.

Registered for multiple Iowa tax types?

The same BEN, User ID, and Password are used for all tax types. The person who files through eFile & Pay first is responsible for setting up additional users.

Do you currently use the existing EFT Debit or Credit option?

ACH Credit remains a payment option. Access to ACH Debit has changed. You need to file returns and set up direct ACH debit payments in eFile & Pay.

*** The telephone filing option, credit card and mail a check payment options are not available for Motor Fuel or LPG.**

TO: State of Iowa

RE: Purple Wave Auction Company
Letter of Recommendation

To Whom It May Concern:

I am writing this letter of recommendation in response to your recent inquires regarding the State of Kansas and its overall satisfaction with the Purple Wave Auction Company.

I have been given the duty of coordinating the sale of seized property for the State of Kansas with Purple Wave for the last few years. Prior to contracting with Purple Wave the State of Kansas facilitated its own auction by hiring an auctioneer and then the State was responsible for all advertising, lotting, clerking, cashiering, etc. I was involved with this earlier procedure and literally spent hundreds of hours preparing for a single auction. We now use Purple Wave Auction Company to perform all of these duties which has significantly reduced the number of labor hours required of myself and other State employees. The State of Kansas has also seen a large increase in the net revenue received from the seizure auctions. I attribute this increase entirely to Purple Wave due to their internet format, professional staff, and positive customer service attitude.

The staff at Purple Wave is outstanding and will literally do anything and everything that is needed to get the best return on any particular item that they can get. They constantly have the consignor (State of Kansas) in mind and do everything possible to ensure that our items are represented to the best of their ability.

I would recommend Purple Wave Auction Company to any person or entity. In my opinion, Purple Wave Auction Company has set the standard in their industry at a very high mark, which I have yet to see surpassed.

Sincerely,

Darci Hamilton
Enforcement Agent
Alcoholic Beverage Control Division
Kansas Department of Revenue

**Lincoln County Highway Dept.
Lincoln County Courthouse
203 E Spring St.
Lincoln KS 67455
(785)524-4656**

September 4, 2008

To Whom It May Concern:

The Lincoln County Highway Department has used PURPLE WAVE, INC. several times to sell surplus supplies & equipment.

We have been very pleased with their amount and quality of advertising. They are a very professional auctioneering company and they treat all items, whether they are large or small, in the same manner. The employees that we have dealt with, from first listing an item to completing the transactions, are knowledgeable in their job and about the company. We especially like the way that they handle the internet bidding and the settlement. That leaves our employees free to do the jobs they were hired to do instead of being salesmen & accounts payable clerks.

Please, do not hesitate to contact me personally if you have any questions, or would like further comments about PURPLE WAVE, INC.

Sincerely,

Larry R. Meitler
Lincoln County
Road Supervisor

The University of Kansas

Facilities Operations

September 4, 2008

Mr. C.E. McKee
Purple Wave Auction
825 Levee Drive
Manhattan, KS 66502

RE: Letter of Reference

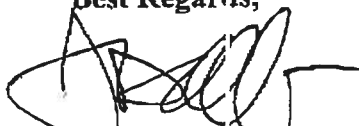

Dear Mr. McKee:

The Facilities Operations Department at the University of Kansas has used Purple Wave Auction Service since March 2006 to dispose of surplus vehicles, furniture, tools and equipment. The (8) auctions conducted to date have generated over \$180,000 in net return to the University.

The services and results provided by Purple Wave are far superior to any surplus disposal system heretofore available to Facilities Operations. The computer system used by Purple Wave is state-of-the-art. The staff members are friendly, accurate, cooperative and efficient. Purple Wave is well-known and their website has a considerable customer base which results in the University receiving fair market value and above for most items sold. Purple Wave is persistent in collecting from difficult bidders and remits to the University promptly following the end of an auction.

This system has worked very well KU and the type of surplus property we generally have for sale. Despite being from KU Jayhawk territory, we look forward to continuing the good relationship we have with you and Purple Wave.

Best Regards,

Steven D. Green
Associate Director

This is a letter of recommendation for Purple Wave Auction, Manhattan, Kansas. The City of Wichita is very satisfied with the results of a total of 13 auctions grossing over \$1.6 million with Purple Wave. Below are questions that I have received from other interested parties that may have helped their decision.

1. What items have you sold through Purple Wave Auctions? The City of Wichita has done five Internet Only Miscellaneous Auctions consisting of surplus items: 1) Warehouse (desks, tables, shelving, credenzas, drafting tables, recreation center items, chairs, restaurant equipment and other items); 2) Century II Convention Center (dishes/glass/silverware, kitchen equipment, conference tables and lecterns, art and retail displays, boxing ring, risers, chairs); 3) Library (office chairs, bookcases, coffee tables, folding tables, display cases, framed pictures) and the Airport (sweepers, tools); 4) Water Utilities (lab equipment); and 5) IT/IS (blackberries and aircards).

The City of Wichita has also done eight Internet Only Auctions for vehicles (autos, pick-ups, vans, fire trucks, dump trucks, crane trucks) and equipment (tractors, dump trailers, compressors, generators, slip-in pump units, mowers, miscellaneous park equipment).

2. Were you satisfied with the exposure you had on the items being sold? Yes. Purple Wave is very supportive of additional advertising. Since the City of Wichita is a municipality, we also advertise with the League of Kansas Municipalities and with our newspaper contract vendor, The Wichita Eagle. For specialty items or specific equipment, I'll contact the manufacturer to list used equipment. We received \$24,500.00 for a 1986 Brown Bear Sludge Remover by advertising with the manufacturer and on that company's used equipment classifieds.

3. Were you satisfied with the prices received from the sale? I've done a comparison cost between the City of Wichita Live Auctions and the Online Auctions. We do receive a higher price for the items on the Online Auctions. On items that are sold at about the same price as the live auction, the revenue is still higher due to the much lower or eliminated overhead costs (auctioneer, office and auction personnel, overtime, security, location expenditures, etc.).

4. Were the transactions timely, orderly, and problem free? YES! From the start of setting up the auction, Purple Wave has assisted in telling us how to set it up (especially for miscellaneous surplus items), taking pictures, posting on their website, closing the auction, collecting monies, State of Kansas title work, reports, to the receipt of the check. It is very timely and orderly. After I have proofed our auction site, I fax the few corrections usually due to faulty information such as a wrong VIN # to Purple Wave and they are corrected within 24 hours. Purple Wave Auction has assisted us completely and satisfactorily.

5. Would you use Purple Wave in the future? DEFINITELY YES! Having a turnkey operation for the auctions is a major time saver and the cost comparison shows the increase in revenue.

If you have any further questions, please contact me.

Addendum to Section 3.3 – Cost Proposal Ancillary Fee Schedule Purple Wave, Inc.

Under this proposal, Purple Wave will provide auction services required by an Iowa governmental entity to be conducted under a set commission and buyer's premium rates. Purple Wave anticipates there may be instances where an Iowa governmental entity requests services above and beyond typical auction services which are associated with the rate schedule in section 3.3. Any arrangement to provide such ancillary services will be pre-approved and agreed to by Purple Wave and the governmental entity. Below is a summary of fees associated with such ancillary services:

Fees associated with Logistical Support Services

Purple Wave can provide logistical support services handle and transport property to be auctioned to sites specified by a governmental entity (example; movement of assets seized by governmental entities to an auction site). The fees associated with such services are as follows:

- **Mileage for Logistics Vehicles Utilized to Transport – Mileage ranging from \$1.00 to \$3.50 / mile** Purple Wave maintains a number of logistics support vehicles that can be deployed at the request of auction customers to transport auction merchandise. Purple Wave charges a per mile fee which currently ranges from \$1.00/mile for pick-up trucks to \$3.50/mile for our semi-tractor and trailer.
- **Labor – \$17.50** Purple Wave can provide auction customers labor for the associated with non-auction services such as handling and transportation of auction merchandise. Purple Wave charges an hourly fee, currently \$17.50/hour.
- **Out-of-pocket Expenses – at cost** Fuel & tolls to move seized or other vehicles to be auctioned, lodging & meal expenses for logistical service team members, boxes & moving supplies, off-site storage, equipment rental, and other supplies or resources required to complete customer assigned engagements.

Fees associated with Offsite Auctions

Purple Wave assumes auctions performed for the state of Iowa will be conducted in facilities provided by client Iowa governmental entities. Should the governmental entity require an off-site auction event, the expenses associated to rent and prepare the site will be billed to the governmental entity on a cost reimbursement basis.

Auction Buyer Fees

Purple Wave reserves the right to assess reasonable fees to auction buyers who require additional services or fail to comply with the terms of the auctions such as: collection fees, returned check charges, late payment charges, late pick-up storage fees, shipping and handling fees, etc..

Purple Wave reserves the right to make reasonable adjustments of these ancillary service rates in response to changes in economic conditions such as changes in fuel prices or cost of labor rates.

Date of this notice: 08-22-2007

Employer Identification Number:
26-0724318

Form: SS-4

Number of this notice: CP 575 A

For assistance you may call us at:
1-800-829-4933

IF YOU WRITE, ATTACH THE
STUB OF THIS NOTICE.

WE ASSIGNED YOU AN EMPLOYER IDENTIFICATION NUMBER

Thank you for applying for an Employer Identification Number (EIN). We assigned you EIN 26-0724318. This EIN will identify your business account, tax returns, and documents, even if you have no employees. Please keep this notice in your permanent records.

When filing tax documents, please use the label we provided. If this isn't possible, it is very important that you use your EIN and complete name and address exactly as shown above on all federal tax forms, payments and related correspondence. Any variation may cause a delay in processing, result in incorrect information in your account or even cause you to be assigned more than one EIN. If the information isn't correct as shown above, please correct it using tear off stub from this notice and return it to us so we can correct your account.

Based on the information from you or your representative, you must file the following form(s) by the date(s) shown.

Form 1120

03/15/2008

If you have questions about the form(s) or the due dates(s) shown, you can call or write to us at the phone number or address at the top of the first page of this letter. If you need help in determining what your tax year is, see Publication 536, Accounting Periods and Methods, available at your local IRS office or you can download this Publication from our Web site at www.irs.gov.

We assigned you a tax classification based on information obtained from you or your representative. It is not a legal determination of your tax classification, and is not binding on the IRS. If you want a legal determination on your tax classification, you may request a private letter ruling from the IRS under the guidelines in Revenue Procedure 2004-1, 2004-1 I.R.B. 1 (or superseding Revenue Procedure for the year at issue.)

Internet bidding

Your Internet bids are a binding offer to purchase, and you are responsible for honoring that offer as required by applicable law.

Buyer's premium

A 10% buyer's premium will be added to all winning bids, resulting in the total purchase price.

Payment information

All payments must be made at a Purple Wave location.

Buyers must pay for their purchased items by 3:00 p.m. on the second business day after the auction. Every day except Sunday is considered a business day. Cash and wire transfers ([wire instructions](#)) in any amount will be accepted. Checks up to \$10,000.00 will be accepted without a bank guaranty letter. Checks of \$10,000.00 or greater will be accepted only with a bank guaranty letter ([letter requirements](#)) or with prior approval from Purple Wave's credit department. MasterCard or Visa will be accepted only for charges up to \$2,000.00, and only after email authorization or in-person signatures are obtained from the cardholder. **Purple Wave reserves the right to hold assets and/or certificates of title until funds availability is confirmed.**

If you are making a payment with your credit card we need you to send an email to manhattan@purplewave.com, this email must include the following information.

- Date of the auction
- Bidder number
- Last 4 digits of the credit card
- Amount to charge

Pickup

A paid invoice is required to remove items from the auction location.

Merchandise pickup information, as well as additional terms, can be found on the auction details page.

<http://www.purplewave.com/cgi-bin/pwdetails.cgi?purple234>

Fees and charges for failing to timely remove or pay for items won

If the winning bidder's credit card information is on file with Purple Wave, that card will be charged for the total purchase price plus one \$30 late payment fee if payment is not otherwise timely made. If no credit card information is on file or if the information is insufficient or outdated, a \$30 late payment fee will be assessed for each partial or full day beyond the payment deadline for which payment is not made. If items are not timely removed as required above, a \$10.00 handling and storage fee will be assessed per auction lot, per day. If an item is not removed within fourteen (14) days after the auction, the item will be considered abandoned property, with all of the buyer's rights and interests in the property extinguished. Purple Wave and/or the seller reserve the right to pursue all legal remedies.

Shipping

Shipping is not available for items in this auction unless specifically stated in the item location information.

Payment information

Internet buyers must pay for their merchandise at the Purple Wave Manhattan facility until 5 p.m. the day of the auction and from 9 a.m. to 5 p.m. on Thursday or Friday following the auction. We prefer wire transfer but also accept cash, checks, and up to \$1000 on MasterCard or Visa. Credit card payments require email authorization and will not be accepted over the phone. Purchases over \$1000 for non cash or check payment will be charged an additional 2% fee.

If you are making a payment with your credit card we need you to send an email to manhattan@purplewave.com, this email must include the following information.

- Date of the auction
- Bidder number
- Last 4 digits of the credit card
- Amount to charge

Pickup

Merchandise pickup information, as well as additional terms, can be found on the auction details page.

<http://www.purplewave.com/auction.php?auction=85>

Penalties

Purchases not paid for within two days will be charged to the credit card on file in addition to a \$25 or 3% storage and processing fee, whichever is greater. Buyers will then be responsible for removing items from the auction location during the term specified above. Items not picked up after two weeks, or in accordance with the terms for each location will be disposed of. Buyer's account, including purchase prices, storage fees, and disposal fees, will then be turned over to a collection agency.

SOLD! April 22 City of Wichita Internet Only Auction

Auction date

Tuesday, April 22, 2008

Auction time

10 a.m. CDT

Managing location and auction address

Purple Wave Manhattan

Multiple locations

Wichita, Kansas

Internet bidding

- all items (100)
- automobiles (54)
- farm (19)
- industrial (13)
- lawn and garden (7)
- tools (4)
- trailers (3)
- print catalog

Terms

Terms and explanations in addition to those listed below can be found in the **Buy** section of this site.

*By placing bids on this website, you agree to abide by the terms listed in the **Buy** section of this site as well as those listed on this page.*

Deadlines and close of Internet bidding

The items will begin to close one item per minute at 10:00 a.m. CDT on Tuesday, April 22 and will sell to the winning Internet buyers at that time. The items will close in the order listed on the website. This auction will feature our automatic extension system which grants a five minute extension to the end of the auction of any item receiving a bid during the last few minutes. The item will then close when five minutes have elapsed without any activity.

Buyer's premium and contract

There will be a 10% buyer's premium added to all purchases. Your Internet bids are a contract and you are responsible for honoring them.

Penalties

Purchases not paid for within two business days of the auction will be charged to the credit card on file along with a \$25 or 3% processing fee, whichever is greater. Purchases not picked in accordance with the removal terms listed for each item location or within two weeks, will be forfeit and resold to cover storage fees with no credit given to the original buyer. Buyers accounts will then be turned over to a collection agency for any delinquencies and storage fees yet unpaid.

Location information, also available from item view

- **City of Wichita, surplus**
Wichita, KS
Items are located in the Central Maintenance Facility Lot at **1801 S McLean** in Wichita, Kansas.
Questions should be directed to Wayne Kasperek at 316.268.4054 or Mike Nordick at 316.268.4040, mnordick@wichita.gov.
Inspection is Saturday April 12 and April 19 from 1 p.m. to 4 p.m. Pickup is by appointment only.
Buyer is responsible for removal and loading.
- **City of Wichita, Surplus**
Wichita, KS
Items are located at **2173 Air Cargo Road** in Wichita, Kansas. Questions, inspection and pickup times should be directed to Scott Loesch at 316.946.4761 or sloesch@wichita.gov. Buyer is responsible for removal and loading.
Item 4399 only.

Payment information

Internet buyers must pay for their merchandise at any Purple Wave Auction, Inc. facility until 5 p.m. on the day of the auction or from 8 a.m. to 5 p.m. on Wednesday or Thursday following the auction. We prefer wire transfer but also accept cash, checks, Little Apple Dollars, and up to \$1000 on MasterCard or Visa. Credit card payments require email authorization and will not be accepted over the phone. Purchases over \$1000 on MasterCard or Visa will be charged and additional 2% fee. Winning buyers should call 785.537.5057 for an exact total and account routing information.

Item removal information

After having paid, merchandise must be removed in accordance with the removal terms listed for each item location above.
